Raoul Moat Vanessa Howard 2010-09-06
On 1st July Raoul Moat was released from Durham prison after serving 18 weeks for assault on a minor. In the 10 days that followed, Moat brought terror and fear to the Northumberland countryside, seriously injuring his ex-girlfriend and killing her partner before vowing to harm any policemen who got in his way. Armed with a sawn-off shotgun, Moat went on the run and continued his violent rampage, shooting police constable David Rathband and fleeing to the remote moors of Northumberland. This is the full story behind Moat's ten days on the run. It traces his final steps in what became one of Britain's biggest police manhunt, from the initial murder in Birtley, through to the police standoff on the banks of the River Coquet in Rothby. Examining the various police, press and witness reports, and piecing together Moat's final movements across the Northumberland countryside, this is the retelling of one of the most deadly manhunts Britain has ever seen, and the first insight into what made Moat a killer.

Sometimes Your Husband Isn't Enough
Raven Merlot 2018-02-11
Sometimes your husband is not enough. Hopefully he understands this, and supports you in getting the pleasure you need. This is the sweet kind of cuckolding. With a husband who loves you and wants you to be sexually satisfied, even if it isn't with him. These bedtime stories are for those times when you want to be physically taken

care of by a man who knows exactly what your body needs while being loved by a man who is committed to you no mater what. These six sweet but raunchy sexual romps are just what you need before bed, or any other time of day for that matter. They tell the stories of women finding passion and excitement in the embrace of other men. They seek it because their marriages have become dull, because they need an encounter with an aggressive alpha male, because they want to get pregnant, because they need to feel what it's like to have multiple strange men use them at the same time, and because their husbands know that a wife's pleasure has to come first. Real life cuckoldress Raven Merlot and her collaborator, Alexandra Noir, are proud to give you a peek into the exciting lifestyles that they enjoy. Don't worry! We understand your hidden desires and your secrets are safe with us. In Cuckolded by Her Stepbrother, Lana has been secretly lusting after her step-brother for years. As a teenager she accidentally walked in on him in the shower and no other man since has "measured up." No matter how hard her husband tried, he just couldn't be the man that she'd dreamed about. Finally, Lana hatches a plan over Thanksgiving to make her cuckolding fantasy come true. In My Wife Submits to Him, Jake is determined to see his wife Stella become a submissive sex puppet but he knows that he isn't the man for the job. He's fantasized about another man making his wife into a sex slave

for years and he's finally hatched a plan to make sure it happens. In *Taken By My Husband's Boss*, Kenny has already come to terms with his wife Eva's slutty ways. He's figured that she could have a waiter or a bartender here and there if it made her truly happy. What he never reckoned with was Eva deciding that Kenny's boss, Marco, was next on her list. She'd always had her eye on him and now that Kenny is in line for a promotion Eva sees this as the perfect to cuckold Kenny for his own good. Her husband would never admit it but the thought of being one-upped by his boss might just be the cuckolding fantasy that he'd always dreamed of. In *My Husband Doesn't Satisfy Me*, Jenny and Stan are newlyweds, barely out of the honeymoon stage. But something was missing. Every time they were out and about her eyes would linger over the bodies, the eyes, the breasts of other women. There was an ache deep inside of her for the touch of another woman. She'd had girlfriends before but had hoped she'd left her bisexuality behind her when she got married. Regardless of her hopes she becomes infatuated with Lila, and it doesn't take much convincing for Lila to get in on the game. Before long she's calling the shots in the bedroom and both Stan and Jenny quickly learn to love it. The story continues in *Craving Dark Chocolate*. Stan is just getting used to his new normal of sharing Jenny with women when Lila has to move away. Now that there's less excitement in their bedroom Jenny worries that Stan thinks she isn't attracted to men anymore but she has a plan to convince him that everything is alright. Jenny decides to bring a dark-skinned bull back to their bedroom to show Stan how much she likes men and how much of a man she can take. In *High Tide*, Josh and Kendra have been vacationing on a tropical island when a hurricane shuts down the entire area. They take up shelter with mysterious local named Philippe. This offers a perfect chance for them to indulge in their favorite hobby, Kendra getting taken by a well endowed stranger, and Josh

watching approvingly.

Lucky Stephen Manderson 2015-09-10 It was never easy for Professor Green. Born into a tough Hackney estate and raised by his grandmother, the rapper was always learning the hard way - whether at school, on the streets of east London or during impromptu freestyling shows at friends' house parties. Indeed life and music have always been intertwined for the young rapper, but it wasn't until he was 18 that the two were brought into focus by the suicide of his father - and his emotions, ever since, have been reflected in the raw and often passionate line of his inspirational lyrics. In this wonderful autobiography, Professor Green - a.k.a. Stephen Manderson - reflects on his life so far and how his tough upbringing shaped the person and musician he is today. Passionate, raw and totally open, *Lucky* is the story of a boy's journey, from life close to the streets, to a time briefly behind bars, followed by a life making it as a musician and becoming the man you want to become. *Lucky* is accompanied by a unique digital app, which takes you closer to Professor Green and his story: with exclusive digital content for readers to enjoy, this is a rare insight into one of the most exciting and controversial musicians working in music today.

A Study Guide for William Shakespeare's "The Merry Wives of Windsor" Gale, Cengage Learning
Out of the Darkness Dan Coxon

2021-09-16 *Out of the Darkness*, in collaboration with mental health charity Together for Mental Wellbeing, challenges some of the most exciting voices in horror and dark fantasy to bring their worst fears out into the light. From the black dog of depression to acute anxiety and schizophrenia, these stories prove what fans of horror fiction have long known - that we must understand our demons to overcome them. In the wake of the Covid-19 pandemic, what began as a mental health crisis has rapidly become an unprecedented tsunami. The Centre for Mental Health has estimated that 10 million people will need mental health support in the UK

as a direct consequence of Covid-19, with a staggering 1.5 million of those being under eighteen. Edited by Dan Coxon (This Dreaming Isle) and featuring exclusive stories by Alison Moore, Jenn Ashworth, Tim Major and Aliya Whiteley, this collection harnesses the power of fiction to explore and explain the darkest moments in our lives. Horror isn't just about the chills - it's also about the healing that comes after. All royalties and editor's fees from this collection are being donated to the mental health charity Together for Mental Wellbeing.

Studying Sexualities Niall Richardson 2013-05-31 Sexuality is an integral part of our lives, and our identities. But how do we study it? Written in a lively and accessible style, Studying Sexualities aims to introduce students to the critical study of sexuality, taking a look at the major theories, media representations, and cultural practices. After having carefully explained the key theoretical and empirical debates on the subject - outlining Foucauldian Constructionism, Psychoanalysis, and Queer Theory - the authors draw on their own original research to address timely topics related to gender, sexuality, and popular culture. Contemporary examples used within the book include discussions of sex shops, cybersex, and sex toys, the TV series *Sex and the City*, *Will and Grace* and *The L Word*, and the immensely popular *Twilight* books. Studying Sexualities is essential reading for undergraduate and postgraduate students on Cultural, Media, Film, or visual Studies, or Sociology and Sexuality courses, who are interested in researching the fascinating complexities of sexuality today. NIALL RICHARDSON is a lecturer at the University of Sussex, and CLARISSA SMITH and ANGELA WERNDLY are lecturers at the University of Sunderland, UK. This book is the culmination of their considerable teaching and writing experience within the field of sexualities. Their specific research interests include feminism and popular culture, queer theory, the body and

consumption.

Bag Man Cordelia Livingston 2018-11-13 "The biker took the sole of his boot and stepped down on the back of Greg's head, forcing his face into the bowl. His entire head was submerged in the toilet."-- Bag Man is the story of a love-struck young man who falls victim to an unfortunate circumstance causing him to lose the love of his life, ultimately to another, more deserving man. On the day that he was planning to propose to his majestic and beautiful girlfriend Jenny, Greg made a mistake that would change his life forever. It was an honest misunderstanding, but after Keegan caught him spying on him and another woman having sex in the toilet stall, he wasn't about to let it slip. Keegan made certain that Greg's pretty girlfriend heard all about what a pervert he was. It was the beginning of Greg's life turning upside down. Keegan was a bartender and your typical successful Alpha male. He was masculine, fit and extremely sociable. Keegan dominated Greg in every respect, taking the liberty of exposing and exploiting Greg's beta male tendencies. Before he knew it, Greg was working as a slave for Keegan. He was forced to clean the pub's toilets and urinals every day, even dutifully paying a loser-tax for the privilege. His dignity and self-worth spiraled downward from there, and eventually, the bar's patrons including random strangers began taking advantage of the resident men's room cleaner, exploiting him sexually which earned Greg the nickname of Bag Man. It wasn't long before the love of Greg's

life made her return. However, this time, Greg found himself on the outside looking in. Keegan and Jenny started dating, and Greg would have to settle for serving as Jenny's cuckold. Soon though he learned to enjoy his new life as both cuckold and slave to Jenny and Keegan. Jenny was a Goddess and Keegan a superior Alpha male. Both were deserving of his extreme sacrifices, dutiful obedience and unending suffering. Greg strived to be the very best public bathroom cleaner and Bag Man for Keegan. He genuinely wanted to serve his new Master. Keegan was a real man and deserved to be with Jenny more than he did. He worshipped his Goddess at every opportunity, cleaning her shoes and serving as her whipping boy. She had cruel and sadistic tendencies that Greg never knew existed but was delighted to be an outlet for all of Jenny's aggression. With just one innocent misunderstanding, Greg's life changed irrevocably forever. However, through it all, he found true happiness. -- Bag Man is the 3rd erotic novel from Ms. Cordelia Livingston. She has a passion for writing vivid erotic and extreme fantasy based stories with core themes of Female domination, cuckold, and fetish. You can also read her other works, Cuck's Club and Chantal's Law. Please visit her author central page and subscribe. Homelessness among Young People in Prague Vágnerová, Marie 2014-11-11 The chronically homeless face a stark reality: lack of access to support systems, adequate shelter, and sustenance, with little hope for something better. For young people, however, life on the street may be merely a temporary stage in their lives. This book tells of homelessness among young people—the causes and their attitudes to the various problems they face. Young homeless people describe a life in which they lose their privacy, the possibility to satisfy their basic needs, and, often, their self-respect in order to survive. The latter half of the book considers what happens when these young people return to society and how they navigate difficulties as they attempt to leave

their past behind. Often, the struggle is not solely one of coping with the stigma of their experience; rather, they must face the legacies that linger long after their lives have turned a corner: drug addiction, criminal records, and accumulated debt. Based on interviews with homeless people in Prague, Homelessness as an Alternative Existence of Young People paints an authentic picture of this social group and documents the often unseen social consequences of the transformation to capitalism from communism.

Exes Max Winter 2017-04-11 [A] heartbreaking novel about the devastations of severed attachments." --NPR For Clay Blackall, a lifelong resident of Providence, Rhode Island, the place has become an obsession. Here live the only people who can explain what happened to his brother, Eli, whose suicide haunts this heartbreaking, hilarious novel-in-fragments. A failed actor impersonates a former movie star; an ex-con looks after a summer home perched atop a rock in the bay; a broken-hearted salutorian airs thirteen years' worth of dirty laundry at his school's commencement; an adjunct struggles to make room for her homeless and self-absorbed mother while revisiting a scandalous high school love affair; a recent widower, with the help of a clever teen, schemes to rid his condo's pond of Canada geese. Clay compiles their stories, invasively providing context in the form of notes that lead always, somehow, back to Eli. Behind Clay's possibly insane, definitely doomed, and increasingly suspect task burns his desire to understand his brother's death, and the city that has defined and ruined them both. Full of brainy detours and irreverent asides, Exes is a powerful

investigation of grief, love, and our deeply held yet ever-changing notions of home.

Punishments of Former Days Ernest W. Pettifer 1992 A book written in 1939 and later discovered and rescued by Waterside Press - that gives a detailed account of the often barbaric or shameful punishments used in former times. Since this book was first published in the 1950s the description it contains of the history of crime and punishment in Britain over the previous 200 years or so has attracted interest across a wide spectrum. The work was reprinted in 1992 by Waterside Press having been out of print for decades. The contents cover a wide range of historic punishments from outlawry to the ducking stool, the pillory, stocks and whirlingig to the branding iron and scold's bridle. From mutilation and torture to sanctuary and the emergence of private and then public prisons this is an essential addition to any criminal justice collection - imbued as it is by the comments of the author from the perspective of his own era, which provides for fascination in itself. Printed in the original style and format - together with a large number of the original illustrations. Quite absorbing - The book transports the reader to a time when punishments were often brutal, unrestrained and unregulated by standards, fairness or consistency. It also looks at the sometimes strange logic that was applied by judges, justices of the peace and those charged with carrying out the task.

My Husband, My Cuckold Raven Merlot
2016-09-19 The story starts Lisa discovering her husband's infidelity. She'd suffered these feelings of humiliation, of inadequacy, and of powerlessness over and over again but she's decided that it was time he understood what it was doing to her. Filled with righteous indignation she gives him the ultimatum: She gets to have a lover as well AND James has to watch it happen. Terrified by the prospect of losing his wife, James agrees, only to be horrified when the

man she chooses is one of his oldest friends. Neither James nor Lisa expect this humiliating act of cuckoldry to be the missing piece to their marriage and way of life neither will be willing to give up! The cuckolding of James continues as his wife takes more lovers and humiliates him further in their presence. The story expands when one of these lovers, Jarrod, eventually marries and hopes that his wife will have other men as well. Unfortunately for them, Jarrod ends up hating the experience and has to deal with his own feelings of inadequacy. It's too late to go back though- his formerly innocent wife has gotten a taste of what it means to have other men and she won't give that up!

Cucked and Feminized by My Neighbor

Brian Masters 2022-02-21 This is the
story of how I lost my wife and my
personality as a man to our new
neighbor. I've become a feminized
sissy who must watch his loving wife
fall under the spell of a better,
more powerful, alpha male. Our life
in the quiet suburbs becomes a
frenzied, sex filled, nightmare.

The Subtle Art of Not Giving a F*ck
I've been in this life for fifty
years, been trying to work out its
riddle for forty-two, and been
keeping diaries of clues to that
riddle for the last thirty-five.
Notes about successes and failures,
joys and sorrows, things that made me
marvel, and things that made me laugh
out loud. How to be fair. How to have
less stress. How to have fun. How to
hurt people less. How to get hurt
less. How to be a good man. How to
have meaning in life. How to be more
me. Recently, I worked up the courage
to sit down with those diaries. I
found stories I experienced, lessons
I learned and forgot, poems, prayers,
prescriptions, beliefs about what
matters, some great photographs, and
a whole bunch of bumper stickers. I
found a reliable theme, an approach
to living that gave me more
satisfaction, at the time, and still:
If you know how, and when, to deal
with life's challenges—how to get
relative with the inevitable—you can
enjoy a state of success I call
"catching greenlights." So I took a
one-way ticket to the desert and
wrote this book: an album, a record,
a story of my life so far. This is
fifty years of my sights and sees,
felts and figured-outs, cools and
shamefuls. Graces, truths, and
beauties of brutality. Getting away
withs, getting caughts, and getting
wets while trying to dance between
the raindrops. Hopefully, it's
medicine that tastes good, a couple
of aspirin instead of the infirmary,
a spaceship to Mars without needing
your pilot's license, going to church
without having to be born again, and
laughing through the tears. It's a
love letter. To life. It's also a
guide to catching more
greenlights—and to realizing that the
yellows and reds eventually turn
green too. Good luck.

Our Muted Recklessness Love Belvin
2020-08-01 Okay... Where do we pick up?
Where we left off, of course. Tori's
afraid, but putting forth her
toughest exterior to forge ahead with
the mess she's made. And Ashton?
Well, he's confused and angry. "You
think it's possible to put the genie
back in the fuckin' bottle now?" Here

he was again, saying cryptic things, using phrases that went over my head. "What more can I say? What do you want me to do?" It's his last semester, one that had been planned meticulously by himself and others well before she even knew what a Panther was. Let' see if Tori can fight her way out of the quandary she's created at BSU. Will Ashton's well-planned future be derailed by the new underdog turned 'Banger' on campus? Publisher's Note: "Our Muted Recklessness" is book TWO of a THREE-book series. It ends on a CLIFFHANGER. This book contains angst, profanity, sexually explicit content, and material related to young adults. If either of these elements is not what you prefer between the pages of a novel, this is not the venture for you.

It's Not Nostalgia Michael Lally 1999 In compulsively honest poems and prose vignettes, Michael Lally unreels "glimpses of the private movie I have always starred in and now have flashes of wanting only to direct." This book is Lally's rough cut, the rawest scenes intact.

Sinner Takes All Tera Patrick 2009-12-31 How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In Sinner Takes All, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, Sinner Takes All takes the tell-all to raunchy new heights.

Mark's List

Cherished By a Thug 2 Natisha Raynor 2018-05-07 If there are such things as cocaine gods, they're blessing Problem left and right. His clientele and his riches are growing by the day, but so are his troubles. Cherish is growing tired of hardly ever spending time with her man, and Problem has to take the good with the bad. Along with mo' money, comes mo' problems. He's seeing a part of the game that he never wanted to see, including people being gunned down right in front of him. He isn't the only one with the love for a dollar and the determination for a come up, but when his mother's life is put in danger and his daughter is violated, another side of Problem is unleashed and he's out for blood. Cherish is confused and angered by the hold that Italy has over her best friend Brit. What baffles Cherish, is the fact that Brit knows Italy is poison, but she still can't seem to let go. Fed up with watching her best friend spiral out of control, Cherish dishes out some tough love, but it's an act that she will later regret. After suffering a loss that brings back the same pain she felt when she lost her brother, Cherish becomes broken. Cherish and Problem are both going through hell and rather than coming together, they seem to cope by pushing each other away. Lives are lost and some relationships will never be the same. Who will survive in this explosive finale?

Husband to Cuckold... & Worse Clarice Darling 2021-06-14 She wants him as her neutered servant. Outrage, as ever, boiled close to the surface of his thoughts and even now, after so many humiliations, he could only

marvel that his manhood had been so far reduced he felt unable to give voice to the many indignities and injustices being heaped upon his head on a daily basis. All of which, he now knew with hindsight, the woman sitting above him at her imperious ease had either suggested or introduced. Robert and Gilly have been married for fifteen years - happy years so he thought. Then their life together begins to change out of all recognition when the previously loyal and loving Gilly enlists the help of some like-minded and sexually warped female mentors. Before long, her husband is totally under her control as she becomes the sole ruler of his world. The pussy-whipped Robert will suffer a host of humiliations on his way to becoming a fully cuckolded slave boy, serving his wife's every whim.

Memory of a Vagabond Adam Ross Rapoport 2014-10-22
In 2010, Adam Rapoport experienced a life-changing epiphany. He wanted to travel the world, by any means necessary. But for the twenty-three-year-old son of an middle-upper-class family to do so, he would have to drop out of graduate school. Undaunted, he sold his possessions and hit the road with a backpack and \$700 for the adventure of a lifetime. Adam wanted to experience the freedoms of homeless

travel. Over the course of two years, he learned how to get around and survive on the road. He hitchhiked across the United States, he joined the crew of a sailboat and explored the Bahamas with a seemingly cursed captain. He then wound up working under the table in Central America. And finally, he studied under both wilderness survival experts and a spiritualist guru in Montana. Spiritual, adventurous, humorous, self-reflective, insightful, and even romantic, *Memory of a Vagabond* shows that following one's dream will bring you to places you never thought possible.

Ceo to Cuckold... and Less - Volume One Clare Penne 2020-01-14
Over two-hundred-thousand words comprise the first volume of Clare Penne's tale of a powerful CEO's sexual perversity and how the women in his life use it to ensure he will NEVER be powerful again. A cautionary tale of LGBT and female-led dominance that serves as a warning even as it excites.

Attempting Normal Marc Maron
2013-04-30 NATIONAL BESTSELLER People make a mess. Marc Maron was a parent-scarred, angst-filled, drug-dabbling, love-starved comedian who dreamed of a simple life: a wife, a home, a sitcom to call his own. But instead he woke up one day to find himself fired from his radio job, surrounded by feral cats, and emotionally and financially annihilated by a divorce from a woman he thought he loved. He tried to heal his broken heart through whatever means he could find—minor-league hoarding, Viagra addiction, accidental racial profiling, cat fancying, flying airplanes with his mind—but nothing seemed to work. It was only when he was stripped down to nothing that he found his way back. *Attempting Normal* is Marc Maron's journey through the wilderness of his own mind, a collection of explosively, painfully, addictively funny stories that add up to a moving tale of hope and hopelessness, of failing, flailing, and finding a way. From standup to television to his outrageously popular podcast, *WTF with Marc Maron*, Marc has always been a genuine original, a disarmingly honest, intensely smart, brutally open comic who finds wisdom in the strangest places. This is his story of the winding, potholed road from madness and obsession and failure to something like normal, the thrillingly comic journey of a sympathetic f**k*up who's trying really hard to do better without making a bigger mess. Most of us will relate. Praise for *Attempting Normal* "I laughed so hard reading this book."—David Sedaris "Funny . . . surprisingly deep . . . laced with revelatory insights."—Los Angeles Times "Superb . . . A reason that [it] is a superior example of an overcrowded genre—the comedian

memoir—is Mr. Maron's hardheaded approach to his history, the wisdom of experience."—The New York Times "Marc Maron is a legend because he is both a great comic and a brilliant mind. *Attempting Normal* is a deep, hilarious megashot of feeling and truth as only this man can administer."—Sam Lipsyte Praise for Marc Maron and *WTF* "The stuff of comedy legend."—Rolling Stone "Marc Maron is a startlingly honest, compelling, and hilarious comedian-poet. Truly one of the greatest of all time."—Louis C.K. "I've known Marc for years and I can tell you first hand that he's passionate, fearless, honest, self-absorbed, neurotic, and screamingly funny."—David Cross "Revered among his peers . . . raw and unflinchingly honest."—Entertainment Weekly "Devastatingly funny."—Los Angeles Times "For a comedy nerd, this show is nirvana."—Judd Apatow

Too Fat to Fish Artie Lange
2009-06-02 Outrageous, raw, and painfully funny true stories straight from the life of the actor, comedian, and much-loved cast member of *The Howard Stern Show*—with a foreword by Howard Stern. When Artie Lange joined the permanent cast of *The Howard Stern Show* in 2001, it was possibly the greatest thing ever to happen in the Stern universe, second only to the show's move to the wild, uncensored frontier of satellite radio. Lange provided what Stern had yet to find all in the same place: a wit quick enough to keep pace with his own, a pathetic self-image to dwarf his own, a personal history both heartbreaking and hilarious, and an ingrained sense of self-sabotage that continually keeps things interesting. A natural storyteller with a bottomless pit of material, Lange grew up in a close-knit, working-class Italian family in Union, New Jersey, a maniacal Yankees fan who pursued the two things his father said he was cut out for—sports and comedy. Tragically, Artie Lange Sr. never saw the truth in that prediction: He became a quadriplegic in an accident when Artie was eighteen and died soon after. But as with every trial in his life, from

his drug addiction to his obesity to his fights with his mother, Artie mines the humor, pathos, and humanity in these events and turns them into comedy classics. True fans of the Stern Show will find Artie gold in these pages: hilarious tales that couldn't have happened to anyone else. There are stories from his days driving a Jersey cab, working as a longshoreman in Port Newark, and navigating the dark circuit of stand-up comedy. There are outrageous episodes from the frenzied heights of his coked-up days at MADtv, surprisingly moving stories from his childhood, and an account of his

recent U.S.O. tour that is equally stirring and irreverent. But also in this volume are stories Artie's never told before, including some that he deemed too revealing for radio. Wild, shocking, and drop-dead hilarious, Too Fat to Fish is Artie Lange giving everything he's got to give. And like a true pro, the man never disappoints.

Glow Rick James 2015-12-29 "Hitmaker, singer, innovator, producer, award-winning pioneer in the fusion of funk groove and rock, the late Rick James collaborated with go-to music biographer David Ritz, in this wildly entertaining and profound expression of a rock star's life and soul"--
